

RAMS Adventures Terms and Conditions

Acknowledgment

THESE TERMS AND CONDITIONS TOGETHER WITH THE ACKNOWLEDGEMENT ARE AGREED BY RETURN OF YOUR COMPLETED BOOKING FORM WHICH ACTS AS A CONTRACT WITH REMOTE ADVENTURE MEDICAL SERVICES LTD. YOU MUST COMPLY WITH ALL THAT YOU AGREE TO IN THE ACKNOWLEDGEMENT AND TERMS AND CONDITIONS.

THIS DOCUMENT HAS A CONTRACTUAL EFFECT.

By the start of the expedition I will hold a full motorcycle or car driving licence valid for me to take part in the trip and will provide proof of this to the organisers. The licence is mine and all documents, including the driving licence, are valid and have not been tampered with in any way. If any documents prove to be false, I accept that liability is mine and not that of you or the organisers. I will carry the original of this document with me at all times during the trip.

The organisers insist that suitable travel insurance is obtained by the participant as soon as possible after signing up for the event as this should provide cover against cancellation charges, unexpected curtailment of the trip, medical expenses arising overseas, loss or damage to luggage and personal liability claims. I understand that whilst the organisers will require proof of valid travel insurance, it is my responsibility to ensure I have suitable cover. I will carry the original of this insurance document with me at all times during the trip. I also understand that all costs paid by the organiser during and whilst under medical care should be reimbursed before returning home.

By the start of the trip I will be 18 or older and have a current passport, valid for at least six months after the end of the trip and valid visa documents as required.

Any costs associated with the repair of my motorcycle due to rider error or careless riding will be covered by the rider.

I will ride responsibly at all times and accept that I am responsible for my own safety. I am aware that riding motorcycles in remote places is dangerous and unpredictable. I understand that any accidents I am involved in are to be resolved by me, my insurance provider and the third party only.

I do not suffer from any drug or alcohol related dependency. I am aware that it is illegal to ride under the influence of alcohol or drugs and that if caught I could face criminal charges. I will not be affected by alcohol or drugs during the riding days. I also understand that any accident I am involved in my insurance provider may want to take a sample of blood to perform toxicology tests to check for alcohol and drug use. I acknowledge that if the organisers believe me to be incapable of riding (for any reason) they can remove me from the rally until they decide I am fit to take part.

If I make changes to the itinerary before, during or after the trip I alone will be liable for anything resulting therefrom. This includes going off route where I will be without support of the team members or medics. I accept that the organisers will be within their rights to exclude me from the trip at any time, although full reasons will be given to me should this occur. I am aware that the motorcycles are the property of RAMS Adventures and are on short term loan to me for the period of the trip only.

RAMS Adventures Terms and Conditions

If I am refused passage/or entry/or exit to or from your chosen country, any additional costs incurred will be my own responsibility.

I agree that all transfers to and from the proposed UK airport and ongoing travel arrangements following the trip will be at my own expense unless otherwise stated.

I understand that bed, breakfast, lunch and dinner will be supplied by you but that all other expenses (including, flights, drinks, phone calls) will be my own responsibility and will have to be paid for in cash at the time of any such purchase.

I understand that I will be required to share rooms with other participants, unless stated. I am aware that due to the remoteness of parts of the route, at times it may be necessary to sleep more than two to a room.

I am aware that I will be responsible for filling up my motorcycle with petrol and that this should be done each day to avoid causing delay to the trip. I accept that any damage or breakages caused by me during my stay in hotels or at other accommodation during the trip will be my responsibility.

I will heed the advice of the organisers about the riding conditions, including that given to me during the introduction speeches. I will take proper care to ensure my safety and will not put any third party at risk by reckless or dangerous riding.

I am aware that I must bring with me all items marked 'essential' on the **KIT LIST** and use them at all times when riding in the rally.

I acknowledge that there are risks involved in any adventure travel activity, including, but not limited to the dangers of travelling in mountainous terrain, high altitude, forces of nature, civil unrest, terrorism, travel by aircraft, truck, bus, jeep, car, motorcycle, bicycle, watercraft or any other means of transportation, accident or illness in remote areas without means for rapid evacuation or medical facilities.

I will provide a letter from my doctor confirming that I can safely participate in the trip should RAMS Adventures request it at any time.

I acknowledge that whilst I am participating on the trip I will be an ambassador for RAMS Adventures Ltd and will behave accordingly at all times.

5. ATOL PROTECTION

6. INSURANCE

Adequate travel insurance is essential. You will be responsible for your own travel insurance which must cover motorcycle touring for machines up to 650cc in a foreign country. The organisers strongly recommend that suitable travel insurance is obtained by the participant as soon as possible after signing up for the event as this should provide cover against cancellation charges, unexpected curtailment of the trip, medical expenses arising overseas, loss or damage to luggage and personal liability claims. Proof of travel insurance will be requested. You are not required to provide insurance cover for the motorcycle itself in that third party cover will be provided by us, but should damage occur to your machine through rider error you will be liable for the cost of repair. It is your responsibility to ensure that the insurance cover you purchase is suitable and adequate for your particular needs.

7. OTHER CHANGES AND CANCELLATION

We reserve the right to make changes to or correct errors in published and other details (before and after registration) and even to cancel confirmed places. If we have to make a significant change, we will tell you as soon as possible and, if there is time to do so before departure, we will offer you the choice of accepting the changed arrangements or cancelling. But compensation will not be payable and no liability will be accepted by us where we are forced to make a change or cancel as a result of unusual and unforeseeable circumstances beyond our control, the consequences of which we could not have avoided even with all due care. Further, no compensation will be payable and the above options will not be available if we cancel as a result of your failure to comply with any requirement of these conditions entitling us to cancel or if the change made is a minor one. A minor change is any change which, taking account of the information you have given us at the time of registration or which we can fairly be expected to know, we could not reasonably expect to have a significant effect on the rally.

8. FORCE MAJEURE

We will not be liable to you if the performance of our obligations or those of any supplier is prevented or affected by you or if you otherwise suffer any damage or loss as a result of "force majeure", which means any event which we or the supplier of the relevant service(s) could not, even with all due care, foresee or avoid. Such events include war or threat of war, riot, civil strike, actual, threatened or suspected terrorist activity, industrial dispute, natural or nuclear disaster, adverse weather conditions, fire and any similar events outside our control.

RAMS Adventures Terms and Conditions

9. OUR LIABILITY TO YOU

We will make sure that the arrangements we have agreed to make or provide as part of our contract with you are made or provided with reasonable skill and care. This means that, subject to these conditions, we will accept responsibility if, for example, the arrangements are deficient as a result of such failure by ourselves, our employees, agents or suppliers. It will be your responsibility to show that reasonable skill and care has not been used if you make a claim against us. Also, we will only be responsible for what our employees, agents and suppliers do or do not do if they were at the relevant time acting within the course of their employment (for employees) or carrying out work we had asked them to do (for agents and suppliers).

For all claims which do not involve death or personal injury, if we are found liable to you on any basis the maximum amount we will have to pay you is the amount paid by you to us in respect of the rally. We will not be responsible for any injury, illness, death, loss (eg loss of enjoyment), damage, expense, cost or other sum or claim of any description whatsoever which results from any act and/or omission of the person affected or the act and/or omission of a third party which were unforeseeable or unavoidable or "force majeure" as defined above. We do not accept responsibility for any services which do not form part of our contract with you, such as additional service or facility which any supplier agrees to provide for you if the service or facilities are not advertised in our publicity materials and we have not specifically agreed to arrange them.

10. COMPLAINTS AND PROBLEMS

If you have any reason to complain or experience any problems, you must immediately inform our representative (if there is one) and the supplier of the relevant service(s). Any verbal notification must be put in writing and given to our representative (if there is one) and the supplier as soon as possible. If you remain dissatisfied, you should contact us at the earliest opportunity. Until we know about a problem or complaint, we or the supplier cannot begin to resolve it. If your complaint or problem is not resolved to your satisfaction you must write to us within 28 days of your return to the UK (or your country of residence) giving your booking reference and full details.

11. BEHAVIOUR

You will be responsible for any damage or loss caused by you. Full payment for any such damage or loss must be paid at the time direct to the third party. If you fail to do so, you will be responsible for meeting any claim subsequently made against us (together with our own and the other party's full legal costs) as a result of your acts or omissions. If in our reasonable opinion or in the reasonable opinion of any supplier, you cause or are likely to cause danger, upset or distress to any third party or damage to property, we and/or the supplier concerned are entitled without prior notice, to terminate the arrangements made for you. We will then have no further responsibility towards you including as to return travel arrangements. No refunds will be made and we will not pay any expenses or costs incurred as a result of the termination.

12. SPECIAL REQUESTS

If you have any special request, you must advise us in writing when you apply to participate in a rally. Although we will endeavour to pass any reasonable requests on to the relevant supplier, we cannot guarantee any request will be met and failure to meet any special request will not be a breach of contract on our part. Confirmation that a special request has been noted or passed on to the supplier or inclusion of the special request in your confirmation or any other documentation is not a promise that the request will be met. We cannot accept any conditional bookings and all bookings will be treated as "standard" bookings subject to these provisions as to special requests.

13. MEDICAL PROBLEMS

If you have any medical problem or disability which may affect you, you must tell us in writing when you apply (or on it arising if later) so that we can advise as to the suitability of the rally. 14. PUBLISHED INFORMATION

The information contained in our publicity materials is correct to the best of our knowledge at the time of publishing. Please note that the published information may have changed by the time you come to book your arrangements. We may provide you with information (in our publicity materials and/or when you are on the rally) about activities and excursions which are available. They do not form any part of your contract with us even where we suggest particular suppliers and/or assist you in booking such activities or excursions. We cannot accept any liability on any basis in relation to such activities or excursions and the acceptance of liability contained in clause 9 of these Conditions will not apply to them save that we do not exclude liability for any negligence of ourselves or our employees resulting in your death or personal injury.

15. PASSPORTS, VISAS AND HEALTH REQUIREMENTS

A full 10 year passport is required for all British citizens, which may take up to 12 weeks to obtain. All passports must be valid for at least six months after the date of return. Requirements may change and you must check the up to date position in good time before departure. Information on health is contained in the Department of Health leaflet T7 (Advice for Travellers) available from your local Department of Health office and most Post Offices. UK citizens require a tourist visa to travel to Cambodia and India but not Vietnam (if staying less than 15 days and holding a UK Passport). It is your responsibility to ensure that you are in possession of all necessary travel and health documents before departure. If you or any member of your party is not a British citizen or holds a non-British passport, you must check passport and visa requirements with the Embassy or Consulate of the country(ies) to or through which you are intending to travel. If failure to have any necessary travel or other documents results in fines, surcharges or other financial penalty being imposed on us, you will be responsible for reimbursing us accordingly.

16. FLIGHTS
